[removed.txt](#)

Dear Eric and Walter,

I am very pleased to inform you that as I have been retained by Occidental Chemical Corporation to assist the company in addressing issues relating to the Passaic River sediment cleanup, I will be attending the meeting tomorrow at 2:00 at your offices, along with my co-counsel Larry Silver.

Juan Fajardo's voice mail message to the other Larry early this morning only identified bankruptcy considerations as a subject to be discussed at the meeting. I want you to know that in the interest of achieving agreement on remaining provisions of the Remedial Design order that is being negotiated, thereby making our best effort to accommodate EPA's desire to have the order finalized as soon as possible, OCC also hopes to discuss with you important provisions of the order as to which the parties have not yet agreed.

Per Mr. Fajardo's request, we will send a proposed agenda. The agenda will include those yet-to-be-agreed-upon provisions, so as to facilitate an efficient and effective discussion tomorrow.

Thanks. Looking forward to seeing you tomorrow.

Larry
